- Activities

Aerospace/STEM Education

CAP's AE mission is to educate, inspire, and instill an understanding of the importance of aerospace in today's world and to prepare American citizens to meet the challenges of a sophisticated aerospace society

CAP offers K-12 national standards-based educational products that inspire over 150,000 youth annually toward STEM subjects and careers

Teachers and youth leaders who join CAP receive free classroom materials, professional development opportunities, orientation flights plus much more

Aerospace Education

AE Products & Programs:

- Pertinent for all ages geared toward STEM-related subjects
- All programs meet National Academic Content Standards
- STEM kits and lesson plans provided to CAP squadrons, schools and Air Force JROTC units
- Air Force Association (AFA) sponsored CyberPatriot program

CAP AE Partnerships:

- AFA, AFJROTC, NASA, Analytical Graphics, National Science Teachers Association, Space Exploration Educators Conference, National Association of Rocketry, Experimental Aircraft Association, Academy of Model Aeronautics, and Aerospace Industry Association
